

ELEVATE

DANCE MINISTRY

Elevate Dance Ministry shares the love of Jesus through the art of dance.

Elevate Dance Ministry is a local faith based non-profit (501 (c)3) established in 2016 that is dedicated to using dance to share the Gospel with students and audiences. We combine technical dance and ministry training to create classes uniquely designed to reinforce Biblical truths.

Elevate Dance Ministry intentionally teaches the art form of dance from a Biblical framework. We believe dancing can be a form of worship. It allows expression that speaks to people's hearts. It provides a platform in which we can disciple and minister to the children in our program. In addition, we believe there are many therapeutic benefits from dance. We want to share all of these benefits with members of our community that may not have regular access to the arts because of financial constraints. We have made it our goal to reach children to share this art form that allows positive expression of emotion, positive peer interaction, discipline, and community all while sharing our hope in Jesus Christ.

We have four branches of Elevate.

- **Louisville Studio** - The Elevate studio in Jeffersontown, KY serves over 200 students including many ministry families.
- **Shelbyville Studio** - We partner with Father's Love, a faith-based community center, to serve children in the Shelbyville community.
- **South Louisville** - We partner with Hope Place, a faith-based community center in the Beechmont community, to serve children with dance camps and clinics
- **Online** - We serve families in Africa through our virtual classes.

Elevate serves many single-income families, ministry families, and families undergoing challenging seasons. We desire to be a blessing and provide an affordable, Biblically based dance education. Support from local donors and organizations helps us to provide classes at reasonable rates and offer scholarships as needed. In 2024, we will provide over \$45,000 in scholarships because of donors like you!

We Need Your Help! Your financial support will allow us to reach hundreds of children for the Gospel of Christ!

(All donations are tax-deductible)
