DANCE MINISTRY

2022/2023 Sponsorship Packet

Elevate Dance Ministry is a local non-profit 501(c)3 established in 2016 that is dedicated to using dance to share the Gospel with students and audiences. We combine technical dance and ministry training to create classes uniquely designed to reinforce Biblical truths. Many athletic organizations have this mission, but Elevate currently serves as one of the only 501(c)3's of its type in the Louisville area.

We desire to see the arts industry redeemed and seek to intentionally teach the art form of dance from a Biblical framework. We believe dance is a Biblical form of worship and expression and wish to train from that mindset. We believe that the arts naturally speak to people's hearts and want to see greater intention used in speaking the language of dance to the thousands in the Louisville area who speak this language.

In addition, we believe there are many therapeutic benefits from dance, and we want to share those benefits with members of our community that may not have regular access to the arts because of financial constraints. At Elevate, we have made it our goal to reach children in at-risk communities to share this art form that allows positive expression of emotion, positive peer interaction, discipline, and community.

We have three active outreach branches of Elevate: Elevate Love which serves children in the Shelbyville community, Elevate Hope which serves children in South Louisville, and Elevate International which serves children in Africa and the Middle East through virtual classes. Donations from outside sources are the primary way these programs are funded.

Lastly, we serve many single-income, ministry families in our main studio. We desire to be a blessing to our families and provide a Biblical dance education without charging rates that would create an impediment for many of our families. Support from local donors and organizations helps us to provide classes at reasonable rates as well as scholarships to families with limited income.

Would you support us for the 2022/23 season? Your donation will provide for hundreds of students locally and abroad and help us in our goal of reaching the hearts of kids with the love of God through dance.

Thank You and God Bless!

For everything there is a season, a time for every activity
under heaven... A time to cry and a time to laugh.

A time to grieve and a time to dance.
