Share with us your Awesome God Stories

This year our devotionals will be based around how Awesome God is. The students will be learning about all of the awesome stories in the Bible, but we also want to include stories from our own families. **Share with us what He has done in your life.** You can reach out to Amy Potter via email amy@createmarketing.com. She writes our devotionals and will write your story in a way that the students can understand.

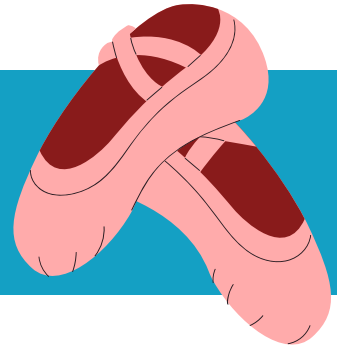

We love all of the stories that have been shared on our “Awesome God” board in the hallway. Keep sharing all of the things God has done and is doing in your life.
