# An Update on the Butler Family Adoption

As many of you know the Butler family started the adoption process over a year ago. After some ups and downs they have remained faithful and trusting God. After Christmas, they found out they are **MATCHED** again with a sweet momma and baby girl who will be making her arrival in about a month. This sweet girl will require surgery after birth resulting in an extended NICU stay. They ask you to be in prayer with them for this sweet momma and baby girl. If you are able to help support them financially the link is below. We will continue to keep our families updated.

## Share with us your Awesome God Stories

This year our devotionals will be based around how Awesome God is. The students will be learning about all of the awesome stories in the Bible, but we also want to include stories from our own families. **Share with us what He has done in your life.** You can reach out to Amy Potter via email [amy@createmarketing.com](mailto:amy@createmarketing.com) . She writes our devotionals and will write your story in a way that the students can understand.

**We love all of the stories that have been shared on our “Awesome God” board in the hallway. Keep sharing all of the things God has done and is doing in your life.**
